Dear Poly,

On behalf of all of the families staying at the Philadelphia Ronald McDonald House, I want to thank you again for all of your support. Your contribution does so much for the 63 families with seriously ill children who call our two Houses their home each night. When families walk through our doors, they enter a community of comfort and hope that is only made possible through the generosity of friends like you. Poly has a true gift for engaging children at every moment. He dazzled the children during his magic show, asking children from the crowd to use the magic they have inside of them to toss their own magical coins into his bucket. He created a memorable night for all of the children and families at the Philadelphia Ronald McDonald House 5th birthday celebration, causing a lasting smile on everyone's faces. I would recommend Magic by Poly for any party needing a touch of very special entertainment. He is sure to wow children of all ages.

Thank again!
Chris Callanan
